Web Linking Policy

1. Introduction

We welcome links to our website made in accordance with the terms of this policy.

This policy is intended to assist you when linking to our website. By using our website you agree to be bound by the provisions of this policy.

2. Links to our website

Links pointing to our website should not mislead.

Appropriate link text should always be used in links pointing to our website.

From time to time we may update the URL structure of our website and, unless we agree in writing otherwise, all links should point to innercityhealth.org

You must not use our logo to link to our website (or otherwise) without our express written permission.

You must not link to our website using any inline linking technique.

You must not frame the content of our website or use any similar technology in relation to the content of the website.

3. Links from our website

Our website includes hyperlinks to other websites owned and operated by third parties; such hyperlinks are not recommendations.

We have no control over the contents of third party websites, and we accept no responsibility for them or for any loss or damage that may arise from your use of them.

4. Removal of links

You agree that, should we request the deletion of a link to our website that is within your control, you will delete the link within 5 business days.

If you would like us to remove a link to your website that is included on this website, please contact us using the contact details below. We will remove the link within 5 business days.

5. Variation

We may amend this policy at any time by publishing a new version on our website.
